DETAILED ACTION

Allowable Subject Matter

1. Claims 3-17 allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding independent claim 3, the prior art fails to teach "if the location registration request is received, checking whether the current position of the portable radio telephone is included in a home-zone list; upon receiving a call origination from the portable radio telephone, releasing the call origination if the portable radio telephone is deviated from the home zone", as cited in the claim.

Regarding independent claim 7, the prior art fails to teaching "a location registration message generating section coupled to the comparing section for generating a location registration message to attempt a location registration to the mobile switching center when the BTS information is not included in the home-zone list" as cited in the claim.

Regarding independent claim 12, the prior art fails to teaching "a comparing section for checking whether the portable radio telephone deviated from the home zone by comparing the home-zone list to a sector of a currently tuned base transceiver station from the signal received by the receiving section" as cited in the claim.

Regarding independent claim 15, the prior art fails to teaching "a location registration message generating section for confirming that the portable radio telephone deviates from the home zone if the pseudo noise code identical to the detected pseudo nose code does not exist in the home-zone list" as cited in the claim.

Art Unit: 2618

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
